Notice of Annual General Meeting

This Notice of Meeting should be read in conjunction with the accompanying Explanatory Memorandum.

Notice is given that the 2019 Annual General Meeting of the shareholders of Skyfii Limited to which this Notice relates will be held at 10:30am (AEDT) on Tuesday, 12 November 2019 at Level 40, 2 Park St, SYDNEY NSW 2000.

1.1 Voting Eligibility

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the 2019 Annual General Meeting are those that are registered shareholders at 7.00pm (AEDT) on 8th November 2019.

1.2 Voting In Person

To vote in person, attend the Annual General Meeting at the time, date and place set out above.

1.3 Voting by Proxy

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- (a) each member has a right to appoint a proxy;
- (b) the proxy need not be a member of the Company; and
- (c) a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2012 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Annual General Meeting. Broadly, the changes mean that:

- (a) if proxy holders vote, they must cast all directed proxies as directed; and
- (b) any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- (c) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- (d) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- (e) if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (f) if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

For personal use only

- (g) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- (h) the appointed proxy is not the Chair of the meeting; and
- (i) at the meeting, a poll is duly demanded on the resolution; and
- (j) either of the following applies:
 - (i) the proxy is not recorded as attending the meeting;
 - (ii) the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Where you do not direct the Chair, or another member of Key Management Personnel whose remuneration details are included in the Remuneration Report or Closely Related Parties of that member on how to vote on this Resolution, the proxy is prevented by the Corporations Act from exercising your vote and your vote will not be counted in relation to this Resolution.

Resolution 9 – Approval of grant of options to Director – Wayne Arthur

The Non-Executive Directors are of the view that it is appropriate that the Company's Chief Executive Officer and Executive Director, Mr Wayne Arthur be entitled to be granted EOP Options under the EOP (formerly approved at the 2018 AGM). The Non-Executive Directors consider that the grant of the EOP Options is an important element of the Company's remuneration strategy for the CEO, having regard to the circumstances of the Company, the duties and responsibilities of Mr Arthur and market levels of remuneration for executives in his position in similar sized companies.

Terms of the Employee Option Plan

EOP Options provide an opportunity to acquire EOP Shares subject to the payment of the exercise price set at the time of the grant of the EOP Options (**Exercise Price**) and EOP Participants can continue to hold the EOP Options after they have vested.

EOP Options will vest upon notification by the Company that the EOP Options have vested and the Company.

EOP Options enable the participant to gain the benefit of any excess of the Share price over the Exercise Price paid. In the event the Share price is equal to or below the Exercise Price, the EOP Options would be of no value.

In order for the EOP Options to vest, the Vesting Conditions set out in the invitation, or otherwise determined by the Board, for the grant of the EOP Options must have been satisfied. In addition, at the time of vesting, a participant must not have engaged in serious and wilful misconduct, wilful disobedience, gross negligence or incompetence, insubordination, disqualification under Part 2D.6 of the *Corporations Act 2001* (Cth), a serious breach of an employment agreement and behaviour which damages the business or reputation of the Company (**Proscribed Conduct**)

If the participant engages in Proscribed Conduct, then the EOP Options will be forfeited.

The EOP Options will not be quoted nor will they carry an entitlement to dividends or a right to vote at General Meetings of the Company.

The invitation to participate in the EOP will specify the number of EOP Options to be granted. If Vesting Conditions are not met, then unvested EOP Options will be forfeited. If the relevant targets are achieved the EOP Options will vest and may be exercised, by payment of the Exercise Price. This can be done at any time up to ten years after the grant of the EOP Options.

Information required by ASX Listing Rules

The Company provides the following additional information for the purposes of ASX Listing Rule 10.15:

- Mr Arthur is a director of the Company.
- The maximum number of securities that may be acquired by Mr Arthur under this approval is 5,000,000 Options. Each EOP Option, on vesting, entitles Mr Arthur to receive one Share.
- No issue price is payable by Mr Arthur for the grant of the EOP Options to him. The exercise price payable to exercise the EOP Options will be set at the time of the grant of the EOP Options.
- As the EOP has not yet been adopted, no securities have currently been issued under the EOP.
- Approval under ASX Listing Rule 10.14 has previously been sought for the issue of securities to Mr Arthur under the Company's Employee Share Plan (**ESP**). Since the last shareholder approval, 3,075,000 ESP Shares have been issued to Mr Arthur under the ESP.
- Other senior managers, who are not directors, of the Company are also entitled to participate in the EOP if invited by the Board. Any additional directors (or their associates) who become entitled to participate in the EOP after the resolution was approved and who were not named in the notice of meeting will not participate until approval is obtained under Rule 10.14 of the ASX Listing Rules.
- A voting exclusion statement for Resolution 9 is contained on page 6.
- No loan has been or will be advanced by the Company in relation to the acquisition of securities the subject of Resolution 9.
- If Resolution 9 is passed, the EOP Options will be granted to Mr Arthur no later than 12 months after the date of approval.

Resolution 10 – Approval for Additional Placement Capacity

1.1 General

Listing Rule 7.1A enables eligible entities to issue 'Equity Securities' up to 10% of their issued share capital through placements over a 12 month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. Skyfii is an eligible entity and is now seeking shareholder approval by way of a **special resolution** to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer below). Skyfii may use the 10% Placement Facility to raise working capital, acquire new business assets or investments or accelerate development and marketing plans.

1.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. As at the date of the Notice, Skyfii has only one class of Equity Securities, being Ordinary Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of shares on issue 12 months before the date of issue or agreement.

(A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2.

(B) plus the number of partly paid shares that became fully paid in the 12 months;

(C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4;

(D) less the number of fully paid shares cancelled in the 12 months.

*[Note that **A** has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.]*

For personal use only

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue (or since the date of quotation if less than 12 months) that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the Volume Weighted Average Price (**VWAP**) of Equity Securities in the same class calculated over the 15 Trading Days on which trades were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

The effect of Resolution 10 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 10 is a **special resolution** and therefore requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) on the resolution.

1.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 10 is approved by shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset or for services delivered to the Company,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the potential dilution of existing shareholders of the Company issues shares pursuant to the 10% Placement Facility. The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of Equity Securities the Company has on issue. The number of Equity Securities on issue may increase as a result of issues of Equity Securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future shareholders' meeting; and
- (ii) two examples of where the issue price of Equity Securities has decreased by 50% and increased by 100% as against the issue price of the Equity Securities at the date of this Notice of Meeting.

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (ii) No Options are exercised into Shares before the date of the issue of the Equity Securities;
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
 - (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 - (vii) The notional issue price is \$0.15.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 10 for the issue of the Equity Securities will cease to be valid in the event that shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition business assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised for general working capital, towards an acquisition of new business assets or investments (including expense associated with such acquisition) and/or acceleration of development and marketing plans.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- a. the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- b. the effect of the issue of the Equity Securities on the control of the Company;
- c. the financial situation and solvency of the Company; and
- d. advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

The following information is provided for the purposes of Listing Rule 7.3A.6.
